Artist: Patrick Barnitt
Title: Sway

SWAY, the second album by Los Angeles vocalist and actor **PATRICK BARNITT**, is a project comprising swing, pop, and blues tunes. Barnitt has a warm, intimate voice, somewhat in the tradition of the Great American Songbook crooners but with a more contemporary edge. The vocals were recorded at Capitol Studios.

Barnitt is a mainstay on the L.A. jazz scene. He performs regularly at the Dresden, a quintessential Hollywood nightclub. He also gigs regularly with drumming legend Frank Devito, a member of the famous The Wrecking Crew.

Barnitt is accompanied by The Paul McDonald Big Band, a 17-piece band that features some of the top West Coast players and performs regularly around Southern California and Las Vegas to sold-out audiences.

Barnitt's musical tastes are wide-ranging. His classic tenor voice, top-notch musicianship, and big band arrangements create a thematic whole that is by turns swinging and romantic.
